

What in the world ...?

Can you recognise these animals by their tails?

1 This animal builds dams	2 I belong to the largest mammal in the world	3 My tail looks as if it has eyes in it
4 Mine helps me balance when looking for acorns	5 Might be ridden offshore	6 It says 'nay' to pesky flies
7 Might be seen as I scuttle down my burrow	8 You should never smile at me	9 My owner's voice could wake you at dawn
